

ARROW UNIFORM

Product Features:

- A first defense in preventing dirt and moisture being tracked into your building from outside
- Skid-resistant cleated surface promotes safety and minimizes slip and fall
- Closed-cell nitrile rubber resists damage by grease, oil or petroleum solvents
- Molded recesses and border trap soil, sand, grit and moisture
- Cushioning treads eases fatigue and enhances comfort for standing employees
- Low-profile beveled borders facilitate cart and wheel traffic
- Easy to clean, mop, sweep or hose off

Product Features: (Cont'd)

- Able to be commercially laundered
- ADA (Americans with Disabilities Act) compliant
- Approximate sizes 3' x 5' or 4' x 6'

Typical placements:

- Outside building entrances
- Locker or changing rooms
- Production areas
- Workstations
- Kitchens or cafeterias
