## Introducing Arrow Uniform GreenScents Restroom Program

### SAY GOODBYE TO

# ODOR

Available for rental, **GreenScents Air Fresheners** have a unique design, where the cover is also the refill. Each cover is composed of a unique material containing twice as much fragrance as most other air fresheners which is released over 30 days. The refills are 100% recyclable and are VOC compliant with no ozone-depleting ingredients. The dispenser features a pre-programmed 30-day run cycle that optimizes a consistent fragrance release. Fan will run sparingly in week one and increase over the 30-day cycle.

Available in three scents: Mango, Spiced Apple and Ocean Mist.

**GreenScents Bowl Clips** have a unique patent-pending material that contains 30x more air freshener than standard rim sticks. Its fragrance is infused into the polymer and is released over 30 days. GreenScents bowl clips are environmentally safe and 100% recyclable, and will not dissolve in or pollute water.
