## Roll Towel Service

The sensible alternative.

### The Most Hygienic Hand Drying Method:

- Removes more bacteria from hands than paper and hot air dryers
- Approved by the US Department of Health & Human Services

### Maximum Value:

- No solid waste disposal cost
- Reduced janitorial cost
- No costly plumbing stoppages due to flushed towels
- No inventory or capital investment required
- Costs less than paper

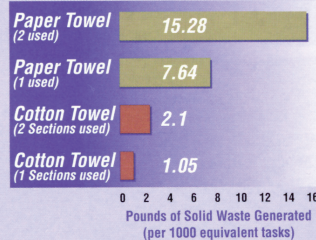

### The Environmentally Responsible Alternative:

- Paper towels must be taken to a landfill or incinerated
- One 40 yard cloth towel processed 75 times, replaces over 30,000 single fold paper towels

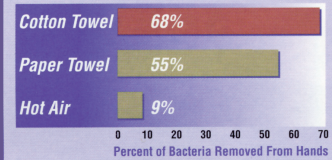

### Employee Preferred:

- Employees prefer the feel of cloth compared to paper or hot air
- Cloth is up to 4 times more absorbent than paper
- No fire hazards
- No litter
