

# APPAREL

Arrow Uniform is proud to introduce the ultimate in easy-care career apparel with the Ingenuity line of washable, crease resistant tailored suiting essentials. Built around a synthetic micro-fiber base fabric, all garments with the Ingenuity label are constructed to be guaranteed machine washable and dryable. This In-Stock Program features mix and match classic styles to create your own Ingenuity suits, available in six color options for a year-round delivery. Constructed of a 100% Microfiber Tricotine fabric or stretch twill, these garments offer excellent crease resistance and seasonless durability.

Synonymous with stylish quality, the luxurious Joseph Abboud tailored brand raises the bar for the uniform industry with the elegant look and approachable feel.

Linden Grey, a highly constructed microfiber suiting, was designed with service and functionality in mind. Linden Grey's highly constructed fit and exceptional style make a strong first impression!

Whether you are looking for washable suiting, brand name recognition or traditional classics we have you covered!
