

ARROW UNIFORM

Kleen-Thru[®] Plus Mat

Sure footing in wet areas.

Product Features:

- Closed-cell nitrile rubber resists damage by grease, oil or petroleum solvents
- Inherent Kleen-Fresh antimicrobial properties inhibit bacterial and fungi growth
- Cushioning sponge rubber eases fatigue and promotes safe, secure footing
- Drainage holes allow moisture and contaminants to pass through
- Low-profile beveled borders facilitate cart and wheel traffic
- Easy to clean, mop, sweep or hose off
- Able to be commercially laundered
- Approximately 3' x 5'

Typical placements:

- Food prep and food service areas
- Locker rooms
- Kitchen areas
- Vending machine areas
- Bars and bar prep areas
- Pool sides and decks
- Anywhere wet floors are a possibility
