## **Phelps USA Joins Apparel Services Network**

**December 10, 2013** - Arrow Uniform is pleased to welcome Phelps USA as a member of the Apparel Services Network (ASN), an industry leader in image apparel national account service programs.

Both Arrow Uniform and Phelps USA's vision is to be the premier provider of uniform and textile services to businesses throughout North America requiring national service coverage.

The ASN Customer Service highlights include:

- National account coverage with localized attention and nationalized reporting systems
- National account management team
- Personalized customer communications
- State-of-the-art laundry processing facilities
- Advanced inventory control
- Best in Class repair system
- Transition Management Team
- Service Performance Guarantee
