

# ARROW UNIFORM

**Never worry about lost or shorted garments again...**

At Arrow, we take reporting to the next level by putting pertinent delivery information at your disposal 24 hours a day. With the Pickup & Delivery Report, you can see exactly how many soiled garments Arrow has picked up and how many clean ones have been delivered broken down by your employees and dates.

Your reports will include:

- Employee names and the dates items were picked up and delivered
- Pickup quantities by date and total for employees
- Delivery quantities by date and total for employees
- Overages, shortages, replacements and garments mended

Arrow's industry leading technology and automation means that you can see where your garments are at any given time. Whether you need individual or company-wide reporting, Arrow can provide it. Ask your Route Sales Representative (RSR) for a copy of this report or log in to your e-services account at [www.arrow.com](http://www.arrow.com) and get the results instantly with our easy to use search options.
